

Equipment Replacement Program (ERP Insurance)
Equipment Service and Repair Program (ESRP Service Contract)
 Deductible/Service Fee Schedule

The website schedule is updated regularly to include new models. If you are not certain of the model of your phone, refer to your original receipt or you may be able to determine the model by following these steps: Turn your phone's power off. Carefully remove the battery cover and the battery. The model is typically printed on the white label located under the battery. This list is changed from time to time. Please check the website list any time your equipment changes.
